Internal Quality Assurance Cell (IQAC)
4th Cycle Assessment Phase (4th CAP)
2018-19

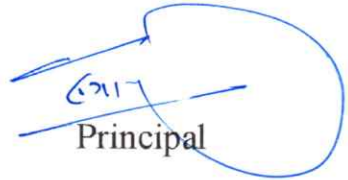

**CONTINUOUS INTERNAL EVALUATION (C. I. E.)
POLICY STATEMENT**

IQAC and all the concerns in this college keep this in mind that evaluation processes and reforms should never lose their developmental line from the teaching and learning processes conducted before. Hence, it resolves to keep the tempo of smooth and efficient conduction of the evaluation processes along with providing space for reforms in them at internal level especially.

There will be a separate C. I. E. mechanism working under the Examination Committee of the college. It will maintain periodical consultation and rapport with IQAC and also will keep pace with the changing scenario in the field at national and international levels. Further, it will act in accord with its annual calendar prepared at the beginning of the academic year. It will motivate the departmental heads in all the streams for proper C. I. E. functioning and probable reforms therein. This sub-unit of Examination Committee will report its performance to its mentor committee as well as to IQAC. Its objectives will reflect in improvement in students' competency level eventually.

Coordinator, IQAC
(Mrs. Mrunalini Shekhar)

Principal
