## CONTINUOUS INTERNAL EVALUATION POLICY

### I. Introduction

The evaluation of the students is an integral part of the teaching-learning process. The Continuous Internal evaluation (CIE) helps:

- To evaluate the performance of their students in accordance with the course objectives.
- To enhance the students' abilities and skills like creative and critical thinking, working in a team, communication skill, etc.
- To distribute course work throughout the semester for reducing stress on the students.
- Encourages the students to progress continuously in the semester leading to thorough understanding of the course.

Rayat Shikshan Sanstha's Mahatma Phule Mahavidyalaya, Pimpri, Pune -17 is an affiliated college of Savitribai Phule Pune University (SPPU), Pune and is governed in principle by the acts and ordinances of the affiliating University for conduct of its internal and external examinations. The College offers various Under Graduate and Post Graduate courses as per the curriculum approved by Savitribai Phule Pune University. The College also follows a semester system of examination as per the commencement and conclusion dates prescribed by SPPU. These examinations are conducted and managed by the College through a well- defined and robust mechanism. The final evaluation and grading of the students in every semester is done based on 30% weightage to Continuous Internal Evaluation and 70% weightage to External Evaluation based on End Semester examinations conducted by the SPPU. This examination policy is an important document for the Teaching Learning and Evaluation process adhered to by the college. All the stakeholders are expected to read and understand the policy and take proactive steps for its effective implementation. The examination policy will be reviewed every year by the committee for the purpose and any changes as and when felt necessary are incorporated after due consultation with all the stakeholders.

**Phone - Office : (020) 27412007 / Prin. (Cabin) : (020) 27410334**

**E-mail : mahatmaphulepimpri@yahoo.com Prin. E-mail : bhosalepi161967@gmail.com**

**Website : <https://www.mpcollegepimpri.edu.in/>**

The purpose of this examination policy is...

1. To ensure smooth planning, management and efficient conduct of the Internal and External examination processes in the best interests of the students.
2. To have a streamlined mechanism of Continuous Internal Evaluation.
3. To ensure the operation of an efficient examination system with clearly defined roles for both staff and students.
4. To have a transparent and effective mechanism to address any examination related grievances of the students.

## **2. Examination responsibilities:**

The affiliating university has introduced CBSC pattern at PG level in the year 2013 and at UG level in the academic year 2019-2020. In this pattern evaluation is done at college as well as university levels. Continuous assessment is carried out by college and End Semester Examination is carried out by the affiliating university with the help of college. Therefore, examination related grievances may be at two levels i.e. internal examination and external examination.

The College has Examination Committee which ensures smooth and transparent conduct of Internal Evaluation Examinations. The internal tests, home assignments, orals, projects, group discussions, students' seminars and practical examinations are planned and conducted as per the University guidelines. The members of the committee monitor smooth conduct of the examination. The students are free to raise grievances regarding evaluation process if they are not satisfied. The Examination Committee to look into the grievance related to internal examination. Grievance related to internal evaluation is immediately informed to the concerned departments and get them resolved.

## **3. Examination Committee:**

The college examination committee works for the conduct of UG and PG Internal examinations. The committee is constituted by the Principal of the College from among the teaching faculty and non-teaching office staff of the College. The composition and tenure of the committee is decided by the Principal. The Committee is headed by the College Examination Officer (CEO) and

1. Prepares CIE calendar and look after its implementation
2. Communicates regularly with staff and students concerning important deadlines and events.
3. Communicates through the Principal with the affiliating University in all matters relating to examinations.
4. Receives checks and stores and securely transports all examination related material as per guidelines.

5. Advises and settles any grievance related to evaluations both internal and external after due consultation with the Principal.

#### **4. Components of Continuous Internal Evaluation:**

For Internal Evaluation, the College follows a uniform and robust mechanism. The Continuous Internal Evaluation is based on the following components:

1. Mid Term/semester exams aimed at Evaluation of the learning progress of the course contents. The guidelines and schedule for the conduct of this examination is formulated by the examination committee. A supplementary examination is to be conducted for the absent and failed students at departmental level.
2. The methods for continuous internal evaluation conducted by individual departments are decided by the concerned departments and are aimed at both summative and formative evaluation of the students. These are in the form of class tests, home assignments, multiple choice questions based evaluation, seminar, presentations followed by question answer session, orals, attendance, group discussions among the students on specific topics moderated by the teachers, etc.

#### **5. Mechanism for Evaluation:**

For the Internal Evaluation, the Department is responsible for smooth and fair implementation of the Evaluation process as per the examination policy of the College. Question papers for sessional as well as class tests are set and examined by departments. All members of the faculty are assigned responsibilities for specific subject of the programme. Evaluation and scrutiny of the answer scripts is done by the faculty of the concerned Department. The Head of the Department is responsible for allotment of evaluation duties amongst the departmental faculty as well as ensuring that the process of evaluation is fair and efficient. All issues arising out of and during the process will be taken up by the Department. The Department is responsible for proper maintenance of records. The process of conducting and monitoring the Continuous Internal Evaluation of the students is the sole responsibility of the Department. Each Department has the flexibility to design and decide on the components of the Continuous Internal Evaluation process as per the subject specific requirements whilst strictly adhering to the broad guidelines of the examination policy of the College and affiliating university. The department is responsible for finalising the grades / marks and maintaining necessary records.

#### **6. Exam Grievance:**

The college has well-structured internal examination grievance redressal mechanism. The college follows the guidelines of the affiliating university for conducting internal examination and redressing grievances. Candidates have the option of seeking redressal and clarification on their performance by submitting an application to the CEO through either an online mode or off-line mode. The application is accessed by the CEO and is forwarded it to the concerned Department to report. The report is shared with the student and if the student is still not satisfied, the grievance is forwarded to

the Principal of the College. The Principal in consultation with the concerned faculty make a remark on the application before sending it back to the examination section or reject it. After taking necessary steps, student's grievances will be settled after due consultation with the Principal of the college. The process is completely transparent.

#### **7. CIE rules and guidelines:**

1. The teachers should inform the students about course curriculum, its objectives, course outcomes, learning activities such as experiential learning and participative learning at the beginning of each semester.
2. The teachers should also inform the students regarding different ways of internal assessment and their weightage through a 'course overview'.
3. All the teachers should prepare their course plan carefully and should share it with the students within first week of the semester.
4. The pattern of question paper for the Unit Tests should be structured by the concerned teacher.
5. The teachers should evaluate the papers of the Unit Tests in time bound manner. The teachers should evaluate the students continuously on the basis of performance in the unit Tests and other methods of evaluation.
6. The answer scripts of the Unit Tests should be shown to the students after evaluation for their information, providing sufficient transparency and accountability.
7. The faculty members should display the grades/marks on the departmental notice board before submitting the same to the respective Head of the department. 8. The student may appeal for reviewing the grades/marks awarded by the teacher. If still there a grievance exists regarding the revision of the awarded grades/marks, student may appeal to HOD.
9. In the case of student failing to complete the CBC under extraordinary circumstances, as per university circular, the teacher would arrange additional assignment or any other course related work for such students.
10. The performance of the students in the practical subjects should also be evaluated on a continuous basis.
11. Internal evaluation of the final year Projects and Seminar should also be done on a continuous basis.
12. Faculty members should maintain the proper records of each class of assigned subject.

## Semester End Examination - November-December 2023

- Examinations will be conducted in offline mode.
- Examinations for Arts, Science, and Commerce will commence on 21st November 2023.
- All the schedules and timetables will be published on the university's official website. ([www.unipune.ac.in](http://www.unipune.ac.in)).
- First-year examinations for all the streams will be conducted by the college, and for second and third-year examinations will be conducted by the university.
- Colleges should organize and complete all the first-year examinations by 10<sup>th</sup> December 2023 and submit the marks by 15<sup>th</sup> December on the university's website.
- Colleges should organize the Central Assessment Programme (CAP) at the college level, and the Principal will act as the CAP coordinator.
- Examinations will cover 100% of the syllabus prescribed by the university.
- The Principal/Coordinator of the college should arrange seating for the students.
- Basic facilities, such as drinking water, electricity, and working fans in properly ventilated rooms, should be provided for the students.
- All facilities should be accessible to differently-abled students on the ground floor of the college.
- An additional 20 minutes should be allotted to differently-abled students.
- Electronic devices/mobile phones are prohibited in the examination halls.
- Students should arrive at the examination center 30 minutes prior to the examinations.
- The college should appoint junior and senior supervisors for the examinations.
- If the college doesn't receive the question papers, they should contact on 020-25621453.
- The college principal and CEO of the college should update their contact numbers with the university.
- The college principal and CEO should make arrangements for answer sheets and all exam-related materials by contacting the university.
- In the case of malpractices, students will be punished under University Act No. 09.
- For first-year examinations, the college should use their own answer sheets and strictly avoid using university answer sheets.
- The college should maintain confidentiality while conducting the examinations.

## Examination Reforms (CBCS)

In the year 2019-20, Savitribai Phule University, Pune where college is affiliated started CBCS semester pattern at UG level. This is applicable to the first year students who get enrolled in first year of UG programme. The second year and third year students continued with yearly pattern of 2013.

At UG level programmes (CBCS) 30%-70% pattern is followed where end semester examination of 70 marks is carried out by University and 30 marks for the internal evaluation is conducted at department level. Departments are free to adopt any methods of evaluation out of the methods recommended by the affiliating University and which is finalized and recommended in CIE policy of the college too. It includes unit tests, home assignments, oral, group discussion, projects, seminars, etc. Each department decides about the method and accordingly plan the activity as per the planning done in CIE calendar.

In the academic year 2020-21, due to COVID -19 pandemic, all departments have followed the academic calendar and organized CIE activities online. The records of internal evaluation is maintained at department level and communicated to the students through displaying it on respective class's what's app group. The marks are to be filled on internal marks portal provided by affiliating university within the stipulated time and it has been done by all the departments. The university end semester examination was conducted online through proctored examination tool.
