Greetings to All,

It gives us immense pleasure to inform you that the departments of Marathi, Hindi, English and IQAC of the college are jointly organizing an international conference on the topic that squarely concerns the changing scenario in education: *Influence of Indian Knowledge System (IKS) on Literature*. This new educational discretion has the indigenous hue in its content and stature focusing IKS i. e. Indian Knowledge System especially. The present event is an attempt to make a stage available in this area for delegate experts and scholars at international stratum.

About the Rayat Shikshan Sanstha, Satara

The Rayat Shikshan Sanstha, Satara, Maharashtra State (India), founded by Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919, is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormous, as it has, from the very beginning, tried all its best to lay emphasis on the education of the downtrodden, the poor and ignorant that really forms the major bulk of society. Late Dr. Karmaveer Bhaurao Patil was man of masses who devoted all his mind and heart to the cause of their education. He had thorough understanding of the social ills that beset the times and had fully realized the dire need of the spread of education. He believed that education alone could eradicate illiteracy, untouchability, caste hierarchy, money lending, superstitions, social and economic inequality. All his life he tried to translate this belief into reality. He was the prophet of the poor, the weak, and the dispossessed and left no stone unturned for their upliftment.

About the College

Mahatma Phule Mahavidyalaya, Pimpri Waghere, Pune, established in 1983, is a unit of the Rayat Shikshan Sanstha, Satara. It is a grant-in-aid educational unit affiliated to Savitribai Phule Pune University, Pune. It has been recently reaccredited at 'A++' grade with 3.61 CGPA in its 4th Cycle by NAAC, Bengaluru in November 2023. It is located with metropolitan surroundings with semi-urban countenance. Majority of the students of the college hail from working class background, so the attention has been focused on their betterment through and through.

About Departments in Humanities and IQAC

Departments in Humanities viz. Marathi, Hindi and English have UG as well as PG units that strive to meet the students' expectations in changing scenario in higher education. They believe that the compartments between departments are translucent. The chosen topic of the present conference has been the result of the contemplation of these departments putting heads together as a unit whole.

Internal Quality Assurance Cell of the college works as the catalyst between the administration and the rest of the human resources of the college. It mainly focuses on accelerating its faculty for continuing upgrade in their academic advancement and achievements in the interest of student community of the college. It has succeeded at enhancing work culture, sense of

ingness and accountability amongst the faculty support staff that deserve the credit for the same with equal stature.

About the Conference

Origin of IKS lies in the intellectual exercise that had undertaken by the seers, the then scholars or researchers worked on various topics/ areas and not in the ecclesiastical cults of the time, whichever existing during the times for sure. Rather any ecclesiastical dogma had nothing to do with these ancient scholars; it is the modern followers of such ecclesiastical dogmas who claim their movements descending from either of such dogmas. Next, more we travel backward in history of India, better we come to know that our predecessors had had deeper understanding of Nature in profounder way irrespective of disciplinary boundaries. To name a few scholars and few HEIs during the ancient times who truly deserve position here are great Indian scholars and educational hubs: Aryabhata, Panini, Kanad, Chanakya, Thiruvallur, Maitri, Gargi and the multidisciplinary educational hubs like Nalanda, Takshashila, Vikramshila respectively. The present international conference takes this background as foundation for intellectual deliberations among participant delegates on topics concerning departments of Indian languages and English.

The present conference aims at providing a platform to the experts in the field and all the other concerns for open contemplation, in particular, those who have bending and understanding in indigenous concerns in higher education. Also, this event is specifically useful for HEIs as units for each of them are going to implement the NEP 2020 from the following academic year. Hence, let this platform of academic endeavour, in the first place, attract the delegate experts and scholars all the way coming from different HEIs. We look forward to make the conference as much fruitful as possible.

Jointly organized by

Dept. of Marathi, Hindi and English and IQAC

**CONFERENCE REPORT
(PROCEEDINGS)**

The international e-Conference on *Influence of Indian Knowledge System (IKS) on Literature* organized jointly by Departments of Marathi, Hindi and English and the IQAC on the Thursday, **February 29, 2024** inaugurated virtually with auspicious hands of **Hon'ble Prof. (Dr.) Sadanand Bhosale**, Professor of Hindi and Coordinator of Board of Studies in Hindi, Savitribai Phule Pune University, Pune (Maharashtra, India). The delegate participants including the Keynote Addresser **Hon'ble Mr. Bhaskar Hande**, Vaishvik Art Environment Organization, The Hague, The Netherlands were present for the session. Prior to this, **Dr. Mrunalini Shekhar**, Vice-Principal and the Convener introduced the theme of the conference; she shared how the topic appeared as the final one through the discussion with the organizing committee and the administration of the college. She expressed happiness over the realization of the topic through the conference. Next, Mr. Hande delivered the Keynote Address on the nucleus of the theme of the conference. He rightly cleared the idea and area of the conference i. e. Indian Knowledge System to the audience

joined all the way from different parts of the globe. He particularly succeeded in erasing the narrow concepts, amongst the common people and the scholars even, about the locked state of disciplinary boundaries as such. He opened the possibilities of interpretations by erasing boundaries between art forms or genres like fine arts and literature, for instance. In other words, his approach of addressing the topic itself meant to indicate the free flow between different generic forms surpassing the narrow boundaries therein. It should generate, his address seemed to suggest, in opulence the exercise of this sort of free flow among the different art forms to remove prejudices in the common populace and scholars' minds due to narrow walls of perspectives limited to the disciplinary boundaries. He touched upon the texts and cross references from ancient literature. This paved proper path for the entire course of the conference proceedings in right direction.

Session I, II, and III each dealt separately with languages Marathi, Hindi and English respectively. **Hon'ble Prof. (Dr.) Pramod Ambekar**, Professor and Head of the Department of Marathi, M. G. V. Arts, Science and Commerce College, Manmad and Dean, Faculty of Humanities, Mahatma Gandhi Vidyamandir, Nasik (Maharashtra, India), **Hon'ble Prof. Dr. Manish Kumar Mishra**, Visiting Professor, Department of Southern and South-Eastern Languages, Tashkent State University of Oriental Studies, Uzbekistan, Russia and **Hon,ble Prof. (Dr.) Shivaji Sargar**, Professor and Head, Department of English, University of Mumbai (Maharashtra, India) delivered their speeches in lucid manner with references running criss-cross from the passage of time Indian ancient to the one modern. The idea of Indian Knowledge System was clearly emerged on the surface in the end and how the literature available during the ancient times possess viability to face vulnerability towards them.

The conference entered its second phase with **Session IV of Paper Presentation Session**: six delegate participants presented their papers in virtual mode – Dr. Rakhi Shah, Dr. Dwarka Gite, Dr. Ranjana Varde, Dr. Archana Pandit, Dr. Santosh Ghangale and Ms. Kavita Jadhav. The Valedictory Session was held in the end where **Dr. Neelkanth Dahale**, Coordinator, IQAC and Organizing Secretary of the conference expressed on the theme of the conference and introduced the guest to the session. Dr. Mrunalini Shekhar, jotted the entire proceedings of the event in interpretative style. **Prof. (Dr.) Madhav Sarode**, I/ C Principal presided over the session. He expressed happiness over the organization of the conference on the theme related to the IKS. The select delegate participants expressed their feelings on the theme and

the organization of the conference. The virtual event ended with vote of thanks proposed by Dr. Neelkanth Dahale.

ACTIVITY REPORT

The event of *Orientation* entitled **One Day Orientation on National Education Policy 2020 and Holistic Multidisciplinary Education** organized by the IQAC in association with NEP 2020 Cell and Quality Improvement Committee on the Wednesday, **January 10, 2024** commenced with offering *pooja* with flowers and garland to the photo image of Padma Bhushan Dr. Karmaveer Bhaurao Patil, the founder of the parent institute Rayat Shikshan Sanstha with auspicious hands of **Prof. (Dr.) Madhav Sarode**, I. C. Principal and resource persons of the event **Dr. Pratima Kadam**, Chairperson, NEP 2020 Cell, **Mr. Ganesh Bhangare**, Chairperson, Quality Improvement Committee, **Dr. Pradnya Bharad**, Chairperson, Innovation and Incubation Cell, **Dr. Pravin Borase**, Chairperson, Competitive Examination Committee, Coordinator of the IQAC **Dr. Neelkanth Dahale** and the senior faculty members of the college.

Dr. Neelkanth Dahale introduced the event, the objectives behind organization of the orientation. He stressed the timeliness of the topic on the turn of the changing scenario in the higher educational field.

All the **four sessions** were conducted by the resource persons in sequence. Dr. Pratima Kadam spoke on the topic of "Holistic Development and

Multidisciplinary Approach in Education” in the Session I. The tone of her speech was the clarification of the paradigm shift in the framework of the curriculum options made available before the students under the aegis of the National Education Policy 2020. For instance, one of the points she cleared was pendulum from ‘multidisciplinary’ to ‘transdisciplinary’. Session II was conducted by Mr. Ganesh Bhangare. He spoke on the topic “Taxonomies for Quality Outcome”. His was the unfolding of the curtain between learning attitudes and capacities of the students and ethics in teaching and their application for the best possible outcome attainment. He favoured need of the modern revised taxonomies useful for better results. Next, the Session III began after the recess. Here, the resource person Dr. Pradnya Bharad’s topic was “Use of Pedagogies for Quality Education”. The speaker explained how the teacher is a ‘facilitator’ rather than a teacher or tutor: the teaching-learning process is basically a process where learning takes place and not the teaching as such. The teacher has to have the role of a facilitator where learning process is kept at the centre and teacher’s role is subordinate. Session IV was conducted by the resource person Dr. Pravin Borase. His topic was “Online Tools and Platforms for Quality Education”. He exclusively dealt with the different resources, tools and software useful for making teaching-learning processes better. All the four sessions were of more than an hour duration each followed by the interactive session between the speakers and the participant teachers. The passing doubts were cleared by the speakers in this interactive session.

Mr. Shahaji More, Vice-Principal, Science wing delivered presidential address followed by concluding remarks by Prof. (Dr.) Madhav Sarode, I C Principal of the college in the Valedictory Session. The event ended with a vote of thanks by **Prof. (Dr.) Sangeeta Ahiwale**, Chairperson, Research Promotion Committee.
