**Minutes of IQAC 1<sup>st</sup> Meeting 2022-23**

The 1<sup>st</sup> meeting of 2022-23 of Internal Quality Assurance Cell of the college was held on June 09, 2022 at 3.00 p. m. in the online mode through Zoom Meeting App.

Prof. (Dr.) Madhav Sarode, I/ C Principal welcomed all the fellow faculty members, office staff and the ERP representatives who joined the meeting. He made the introduction further that it had been repeatedly recommended to replace the existing software to receive advanced software in the interest of the students. The task of attending the new aspirants seeking admission in our college should be put first on agenda on priority basis. In fact, the college earns credibility out of the reputation of the parent institute in education as such. All the same, requirement of some software in advanced mode came out of the experience that many a student, it had been observed, feel to go for another option in city for admission. He further asked Dr. Neelkanth Dahale to conduct the meeting proceedings.

Dahale thanked the principal, greeted the ERP group representatives, all the members of the Admission Committee and the members present of the IQAC. He conveyed that the IQAC felt happiness over the move the principal had taken by inviting a software company to make the admission system efficient and transparent. He added further that the access to the admission seekers had to be strengthened for increasing the student strength of the college, in the first place. It was also important for turning the system in favour of 'user-friendly' as well as to be suitable in accordance with the IQAC policy of 'ease of doing', secondly. In addition, the advanced systems should attend the remote admissions seekers coming all the way from other states.

Dahale requested Mr. Ganesh Dangat and his colleague Mr. Kazi from ERP group to present the demonstration. Both the guests spoke on what and how their system would help the admission process of the college to it efficient. Dangat said it should fulfil various requirements of the college through the modules their group provides for different modes of services: admission, online internal tests, assignment library. All the services would function smoothly

said he. Ms. Priti Nevse, head of the department of B. B. A. (C. A.) and member of the IQAC shared that the system being shown would help the college to maintain student data with its updates from time to time. All nodded in affirmation.

Prof. (Dr.) Sarode took stock of all the proceedings went and directed Dahale for further move in the meeting. The demonstration ended with question-answer session and the discussion was taken for the further action. The meeting ended with the vote of thanks towards the Chair and all the fellow faculty members present. The gratitude was expressed towards the ERP representatives present in due sense of the term.

Prin. Dr. Kailas Jagdale welcomed all the members of the Cell to the meeting and asked Dr. Neelkanth Dahale, Coordinator of the Cell to conduct the meeting proceedings.

**2.1: To confirm minutes of the last meeting of the IQAC:** The minutes of the previous meeting were confirmed unanimously.

*DN*

**2.2 To discuss about organization of the national workshop on NEP 2020 Policy and revised framework of accreditation of the NAAC:** Dr. Neelkanth Dahale read the point aloud to the meeting and shared it in pride that the IQAC could organize a national workshop on the topic related to the NEP 2020 Policy and the revised accreditation framework of the NAAC. Further, he said that there is one to one correspondence between the two for the NAAC would go in accordance with the union government policies. The affirmative response of the college to the *Policy* and the *Framework* should appear as readiness through act. Dr. Pratima Kadam, Assistant Professor in Economics and a member of the IQAC entered the discussion; she said that the workshop would benefit the college at its preparation drive in the wake of the NAAC 4<sup>th</sup> Cycle assessment process. Principal instructed all to work in coordination to make the event a grand success. All expressed readiness and assured him to complete every task assigned well in time. The point was approved unanimously.

**2.3: To discuss about increasing ICT approach in TLP:** Dahale read the point and said that all the faculty members including senior ones need to switch over to the advanced mode in TLP. He reminded that the ICT and e-Content Development Committee had organized four training workshops during the previous years since 2019-20 for fellow faculty members on advanced tools to be used in TLP. He further informed that the faculty members had shown readiness over this advanced mode and the results were being seen in their sessions and the students' classroom activities. He continued that student prepared their projects with internet assistance through browsing and making presentations with LCD projectors. Additionally, the e-content being shared in the YouTube channel of the college proved as its outcome. All expressed happiness over this achievement and approved the policy for further improvement.

**2.4: To discuss about POs and Cos attainment framing:** Dahale read the point aloud to the meeting and brought importance of the issue forth in the words thus: it directly concerns with the very objective of the education as such. It meant, said he, that the students seek education and after completion of their studies plunge into the real-life situations, where their educational acquisition is supposed to be applied in reality. It also confirms the accountability (i. e. to be on the shoulders of the teaching community) with us. Dr. Pratima Kadam, Assistant Professor in Economics and member of the IQAC entered the discussion and informed the house that the attainment of POs and COs was an intricate concept that comes from Bloom's Taxonomy. It requires defining a frame. She added further that this framing has to have proper corresponding interconnectivity between POs and COs. Dahale requested her to take responsibility of carrying out the task and coordinate with the Criterion II Committee where the issue concerns actually. She nodded affirmatively. Dr. Mrunalini Shekhar, Chairperson, Criterion II Committee added into the discussion that the communicating POs and COs would be designed as sharing through the classroom sessions, displaying in the department and college website. The discussion was unanimously approved.

**2.5: To discuss about advanced library services to be made available:** Principal said that the library has been working in good manner, however, its functioning needs to be enriched towards increasing distance access to more extent. Dahale added that the percentage of students as well faculty share at referring to the resources available there needed to be increased. Dr. Trupti Ambre, Chairperson of the Criterion IV Committee seconded the point immediately. She said that it was actually the requirement of the time. Another point shared by Dahale was that the library automation should be extended it to the 100% mode. Ambre replied that the existing system was sufficient and face-to-face dialogue with library visitors would provide chance to seek feedback on library services from them on face. All agreed and the point was approved accordingly.

**2.6: To discuss about Research Seed Money utilization:** Principal informed that the provision of Research Seed Money had been made and the Research Promotion Committee had directed to conduct selection procedure of the faculty researchers. Dr. Sangeeta Ahiwale, Chairperson, Criterion III entered the discussion and conveyed that the Research Promotion Committee had initiated the process and it would be executed soon as per the planning. All expressed agreement over the point and approved the discussion.

**2.7: To discuss about possibility of innovative practices under Criterion VII:** IQAC Coordinator said that the Criterion VII has good leadership and the whole team work over different aspects of probable quality endeavours of the college. He conveyed to all that this group of Criterion VII has nicely worked on the best practices of the departments. Two of them would be chosen for the final consideration for the forthcoming assessment process of the NAAC. Mr. Rajendra Pujari, Chairperson, Criterion VII conveyed that the policy has been decided to choose those best practices that meet maximum of our institutional objectives and thoughts. Principal suggested him to look for the aspect of institutional distinctiveness as it would also need for the same assessment process. Pujari nodded affirmatively. All appreciated the endeavour and expressed best wishes for their further efforts.

**2.8: To discuss about the activities under MoUs/ Linkages signed:** Dahale read the point aloud to the meeting and shared importance of their being functional. He added that an MoU without being functional could not be considered as an MoU at all. Dr. Ahiwale replied that all the MoUs have been functional and the total MoUs and linkages have reached to 30. All appreciated the qualitative growth of college through such initiatives. The point was approved unanimously.

**2.9: Any other matter with prior permission of the Chair:** The meeting ended with a vote of thanks to the Chair.

- 3.1 Confirmation of the minutes of the previous meeting:** Minutes of the previous meeting were confirmed unanimously.
- 3.2 Approval to the revised IQAC Composition from 2022-23 onwards:** Dahale read the point aloud to the meeting. The revised constitution of the IQAC was approved unanimously; Prin. Dr. Kailas Jagdale shared that all the members on the committee were associated with the college in one way or the other and all happened to be the members of the Alumni Association of the college.
- 3.3 Discussion on the NAAC 3rd Cycle Recommendations:** Dahale put the point before the meeting and shared that complying with the recommendations in a phased manner was underway during the assessment period. He further shared the previous NAAC Peer Team recommendation sheet and pinpointed those recommendations that initiated recently. All agreed and approved the discussion.
- 3.4 Discussion on probable infrastructural augmentation:** Principal shared that the playground under preparation on Campus II of the college was the recent addition in infrastructural augmentation of the college. He added that the construction of the second floor on the Campus II building had been planned and it would be initiated with prior permission of the CDC. It was decided to forward the proceedings to the CDC for approval. All agreed and approved the discussion.
- 3.5 Discussion on revised Perspective Plan – 2022-23 to 2027-28:** Dahale put the *Plan* before the meeting. He presented the document on the screen. All went through it and shared their queries and suggestions. The next five-year plan was appreciated by all. Dahale shared that the care has been taken to provide tone to the draft that is correlated with the NEP 2020 policy of the union government. The draft of the *Plan* was approved unanimously.
- 3.6 Discussion on NAAC 4th Cycle assessment preparation of the college:** Principal led the discussion and informed all that the entire preparation drive would be administered in a hierarchical style as per the planning at Steering Committee level. Prof. (Dr.) Madhav Sarode seconded the point and shared that the execution over the issue has already been initiated. All expressed approval over the point.
- 3.7 Discussion on IQAC-Alumni Corridor establishment:** Dahale put the point before the meeting. He mentioned it particularly that the alumni of the college have been either industrialists themselves or related to the industry in one way or the other. This aspect would easily establish access of students with the industry. Members in the Alumni Association and the IQAC could together work in students' interest. Mr. Shahaji More entered the discussion and said that it would definitely benefit the students for internships, students' visit to industries and their placement as well. All appreciated the idea and approved the discussion.
- 3.8 Discussion on organizing NAAC/ SPPU sponsored/ self-funded conferences:** The point was put before the meeting by the coordinator. It was recommended during the discussion that the self-funded activities like workshops or conferences would be entertained after the NAAC assessment process would be completed.
- 3.9 Discussion on UG and PG Programme proposals sent to SPPU:** Dahale read the point aloud to the meeting and conveyed that it has been appealed to the departments in Arts and Science to send proposals to the university. Completion of the NAAC 4<sup>th</sup> Cycle assessment process would ease the application before the university authorities concerned. The discussion was approved and it was resolved to send proposals of Political Science to be extended as one of the options at special level in Arts, introduction of Sociology as another new option in Arts, Botany, Zoology, Mathematics and Statistics at tertiary level in Science and PG in English. The discussion was registered and approved for further action to be implemented the following year.

- 3.10 Discussion on possibility of Research Centre establishment:** Principal led the discussion over this point and informed that renovation of the building on Campus II (Second floor) would make us to resolve this point more confidently. Mr. Vishal Masulkar and Mr. Vijayrao Chaudhari seconded the point. The discussion was approved unanimously.
- 3.11 Discussion on overall feedback mechanism strengthening:** Dahale read the point aloud to the meeting. He said further that the existing feedback mechanism has been one of the efficient mechanisms of the college. All the four feedbacks - employers, academic peers, alumni and students and feedback on the curricular, co- and extra-curricular activities conducted in the college have been executed in systematic way. He added that the present year the ATRs on the recommendations sought would be implemented by attending to them in time and with full attention. Mr. Bathe seconded the point and all approved the discussion.
- 3.12 Any other matter with prior permission of the Chair:** The meeting ended with a vote of thanks to the Chair.
