Greetings to All,

It gives us immense pleasure to inform you that the departments of Marathi, Hindi, English and IQAC of the college are jointly organizing an international conference on the topic that squarely concerns the changing scenario in education: *Influence of Indian Knowledge System (IKS) on Literature*. This new educational discretion has the indigenous hue in its content and stature focusing IKS i. e. Indian Knowledge System especially. The present event is an attempt to make a stage available in this area for delegate experts and scholars at international stratum.

About the Rayat Shikshan Sanstha, Satara

The Rayat Shikshan Sanstha, Satara, Maharashtra State (India), founded by Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919, is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormous, as it has, from the very beginning, tried all its best to lay emphasis on the education of the downtrodden, the poor and ignorant that really forms the major bulk of society. Late Dr. Karmaveer Bhaurao Patil was man of masses who devoted all his mind and heart to the cause of their education. He had thorough understanding of the social ills that beset the times and had fully realized the dire need of the spread of education. He believed that education alone could eradicate illiteracy, untouchability, caste hierarchy, money lending, superstitions, social and economic inequality. All his life he tried to translate this belief into reality. He was the prophet of the poor, the weak, and the dispossessed and left no stone unturned for their upliftment.

About the College

Mahatma Phule Mahavidyalaya, Pimpri Waghere, Pune, established in 1983, is a unit of the Rayat Shikshan Sanstha, Satara. It is a grant-in-aid educational unit affiliated to Savitribai Phule Pune University, Pune. It has been recently re-accredited at 'A++' grade with 3.61 CGPA in its 4th Cycle by NAAC, Bengaluru in November 2023. It is located with metropolitan surroundings with semi-urban countenance. Majority of the students of the college hail from working class background, so the attention has been focused on their betterment through and through.

About Departments in Humanities and IQAC

Departments in Humanities viz. Marathi, Hindi and English have UG as well as PG units that strive to meet the students' expectations in changing scenario in higher education. They believe that the compartments between departments are translucent. The chosen topic of the present conference has been the result of the contemplation of these departments putting heads together as a unit whole.

Internal Quality Assurance Cell of the college works as the catalyst between the administration and the rest of the human resources of the college. It mainly focuses on accelerating its faculty for continuing upgrade in their academic advancement and achievements in the interest of student community of the college. It has succeeded at enhancing work culture, sense of

belongingness and accountability amongst the faculty and support staff that deserve the credit for the same with equal stature.

About the Conference

Origin of IKS lies in the intellectual exercise that had undertaken by the seers, the then scholars or researchers worked on various topics/ areas and not in the ecclesiastical cults of the time, whichever existing during the times for sure. Rather any ecclesiastical dogma had nothing to do with these ancient scholars; it is the modern followers of such ecclesiastical dogmas who claim their movements descending from either of such dogmas. Next, more we travel backward in history of India, better we come to know that our predecessors had had deeper understanding of Nature in profounder way irrespective of disciplinary boundaries. To name a few scholars and few HEIs during the ancient times who truly deserve position here are great Indian scholars and educational hubs: Aryabhata, Panini, Kanad, Chanakya, Thiruvallur, Maitri, Gargi and the multidisciplinary educational hubs like Nalanda, Takshashila, Vikramshila respectively. The present international conference takes this background as foundation for intellectual deliberations among participant delegates on topics concerning departments of Indian languages and English.

The present conference aims at providing a platform to the experts in the field and all the other concerns for open contemplation, in particular, those who have bending and understanding in indigenous concerns in higher education. Also, this event is specifically useful for HEIs as units for each of them are going to implement the NEP 2020 from the following academic year. Hence, let this platform of academic endeavour, in the first place, attract the delegate experts and scholars all the way coming from different HEIs. We look forward to make the conference as much fruitful as possible.

Sub-themes of the Conference
