## Examination Reforms (CBCS)

In the year 2019-20, Savitribai Phule University, Pune where college is affiliated started CBCS semester pattern at UG level. This is applicable to the first year students who get enrolled in first year of UG programme. The second year and third year students continued with yearly pattern of 2013.

At UG level programmes (CBCS) 30%-70% pattern is followed where end semester examination of 70 marks is carried out by University and 30 marks for the internal evaluation is conducted at department level. Departments are free to adopt any methods of evaluation out of the methods recommended by the affiliating University and which is finalized and recommended in CIE policy of the college too. It includes unit tests, home assignments, oral, group discussion, projects, seminars. etc. Each department decides about the method and accordingly plan the activity as per the planning done in CIE calendar.

In the academic year 2020-21, due to COVID -19 pandemic, all departments have followed the academic calendar and organized CIE activities online. The records of internal evaluation is maintained at department level and communicated to the students through displaying it on respective class's what's app group. The marks are to be filled on internal marks portal provided by affiliating university within the stipulated time and it has been done by all the departments. The university end semester examination was conducted online through proctored examination tool.
