### **Institutional Distinctiveness 2020-21**

College is recognised for skill developing courses along with its regular programmes. Every year feedback from students is used to design and conduct new short-term courses. This year 'A Certificate Course in Full Stack Developers' was introduced for SYBBA(CA) and TYBBA(CA). During Covid-19 period, teaching-learning and evaluation of this course was conducted online.

66 students were admitted to the course. Syllabus of 90 hrs. duration was formed through BOS structure held on 10 October 2020. It was approved by the academic wing of the Karmaveer Vidya Prabodhini of Rayat Shikshan Sanstha, Satara.

Miss Pooja Daundkar was appointed as teaching faculty and Miss Priti Nevse worked as the course coordinator. Course sessions were conducted on every Saturday between 12.00 noon and 2:00 p. m.

From on-job training to certification, college signed **Memorandums of Understanding with** Radiant Techno Solutions, Pune on 06 October 2020. This agreement is useful for college-industry coordination and availability of placement opportunities for students. Online examination of 100 marks was held on 20 March 2021.

Pimpri has been an industrial hub and introduction of such a course in computer application helps students to seek jobs. This way of thinking stands as distinctive feature of the college.
