### Greetings to All

We all have safely overcome the Covid-19 pandemics and have resumed our regular work pattern. As a part of this it gives us immense pleasure to inform you that the IQAC and the NEP 2020 Cell of the college are jointly organizing a one-day workshop on the topic that squarely concerns the challenges in the higher education field today: 'Institutional Preparedness for NEP 2020: Issues and Measures with Special Reference to Revised SSR Questionnaire of NAAC'.

### About the Rayat Shikshan Sanstha, Satara

The Rayat Shikshan Sanstha, Satara, Maharashtra State (India), founded by Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919, is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormous, as it has, from the very beginning, tried all its best to lay emphasis on the education of the downtrodden, the poor and ignorant that really forms the major bulk of society. Late Dr. Karmaveer Bhaurao Patil was man of masses who devoted all his mind and heart to the cause of their education. He had thorough understanding of the social ills that beset the times and had fully realized the dire need of the spread of education. He believed that education alone could eradicate illiteracy, untouchability, caste hierarchy, money lending, superstitions, social and economic inequality. All his life he tried to translate this belief into reality. He was the prophet of the poor, the weak, and the dispossessed and left no stone unturned for their upliftment.

It has succeeded at creating work culture, sense of belongingness and accountability amongst the faculty and support staff that deserve the credit for the same with equal stature.

### About the workshop

More India has been emerging as one of the leading nations in the world, more it has been expanding its relevance in the various sectors. Higher education is one such sectors where India is improving access towards creating suitable ambience for introducing new skill-based programmes and courses and also suitable ambience for nurturing intellectual property development. Human resource required for such development mainly comes from higher education field. In this regard, the mega decisive move of the National Education Policy (NEP) 2020 by the union government is going to make the vision of 'Developed India 2047' a reality for sure. Its timely appearance with universal relevance is rightly explained when it is said that it replaces 34-year-old National Policy on Education (NPE), 1986.

The present workshop aims at providing a platform to the experts in the field and all the other concerns for open contemplation, in particular, over facing the 4th Cycle assessment process of the NAAC. Of course, the attempt has been made to focus new aspect included in the revised SSR questionnaire i. e. 'Institutional Preparedness for the National Education Policy 2020'. This is specifically useful for those HEIs who are going to face their 4th Cycle assessment process by NAAC, Bengaluru. Let this platform of academic endeavour, in the first place, attract the Principals and IQAC Coordinators all the way coming from different HEIs. We look forward to make the workshop as much fruitful as possible.

Prof. (Dr.) R. T. Bedre spoke on the NEP 2020 first and then turned towards its relevance and indispensability in the assessment process of the agencies like NAAC. It is the 'Institutional Preparedness of NEP 2020' as it has been coined by the NAAC itself. He surveyed on the educational commissions after independence. His was the tone that ever since the Dr. Radhakrishnan Commission the indigenous fervour has been present in all the Commissions. Also Kothari Commission covered the overall development of pupils. The objectives of these Commissions were achieved fully could linger behind. Further, he explained, followed by the discussion all the six points in the NAAC questionnaire. The Session ended with the doubts cleared by the speaker himself. Prin. Dr. N. S. Gaikwad, while presiding over the session explained further the minute details in the NAAC questionnaire.

Session Two was conducted by Prin. Dr. Arun Adsool, former V. C. of the Savitribai Phule Pune University, Pune.
